Gaddesden Row is perfectly placed; surrounded by picturesque and rural villages on the edge of the Ashridge Estate, yet close enough to enjoy the amenities of Harpenden, Hemel Hempstead and Central London.

Hemel Hempstead is a thriving town and part of the Greater London Urban Area. It has much to offer and is a great family friendly place to visit.

Hemel Hempstead has recently seen a £347million refurbishment to regenerate the town centre. The Marlowes Centre is Hemel Hempstead's main shopping area and it is complimented by the new Riverside Shopping Centre; an exciting open air shopping development built around the banks of the river that homes many shops, restaurants and cafés that you'd expect of a busy modern town.

To the east are the historic and affluent towns of Harpenden and St Albans. They have become much sought after dormitory towns within the London commuter belt resulting in notoriously high property prices – common in the region.

Both Harpenden and St Albans have many independently owned shops, boutiques, cafes and restaurants that give the area a unique character and charm.

Nearby Berkhamsted is a popular town with a thriving local economy. The town is a desirable place to live and enjoys a bustling atmosphere with its weekly markets and generous offering of shops, pubs and restaurants.

To the north is the Luton and Dunstable Urban Area. The area is expected to grow due to development within and physical expansion of the three towns and large re-development of Luton. This major regeneration of Luton town centre is already underway, which will include upgrades to the town's transport as well as improvements to the town's urban environment.

The land is close to the M1 motorway and A5 road, and is served by fast & frequent rail links into London at the nearby Hemel Hempstead and Harpenden train stations. Nearby London Luton Airport is one of the country's major international airports.

LEISURE & EQUESTRIAN

Nearby Gaddesden Estate offers a members only ride and is well supplied with almost 8 miles of estate roads, tracks & woodland rides. Two cross country jumping lanes are available, together with a jumping complex. There are 28 jumps ranging from 2ft to 3ft 3ins, which are suitable for novice horses and riders and are nearly all natural jumps. There is also a five furlong grass gallop alongside the jumping lanes.

The land is located close to the Chiltern Hills, a stunning area of countryside with rolling hills and woodland. These beautiful landscapes offer visitors a wealth of attractions to experience. Horse riding is a great way to explore the hills on a network of bridleways.

To the north-eastern boundary of the site is a bridle path, providing easy access to the extensive bridleway network in the area.

For those preferring to explore the Chilterns by foot the Chiltern Way is extremely close by. It is a circular walking route of around 125 miles, taking in some of the finest scenery in the country.

After a long walk or ride you could take a 15 minute walk from the land to enjoy a drink or a meal at the Old Chequers pub and restaurant.

To the west is Ashridge Estate owned by the National Trust. The estate comprises of 5,000 acres of woodlands (known as Ashridge Forest), commons and chalk downland which supports a rich variety of wildlife. The best way to explore the estate is through the miles of waymarked footpaths and bridleways that give you plenty of space to explore the outstanding setting.

Whipsnade Zoo is just over 5 miles from the site. Set in 600 acres of beautiful parkland, Whipsnade is the UK's largest zoo and one of the largest in Europe.

Other Leisure pursuits in the area include golf courses at Ashridge, Berkhamsted, Boxmoor & Chartridge, The Rex Cinema in Berkhamsted and Champneys spa near Tring.

ACCESS

The land benefits from road frontage onto Cupid Green Lane and full vehicular right of way is provided to all lots via an easement (*shown blue on the site plan*).

The entrance has been improved by the current owner with new gates and a hardstanding area.

LAND VALUES

The supply of farmland to the market in last quarter is down 42% compared to the first quarter of 2016, and *down 38%* compared to the long-term average.

Demand for land remains robust – especially from investors looking for more than a 'safe' investment in uncertain times – and this together with the diminishing supply, may help **strengthen land values**.

AFFLUENT & DESIRABLE AREA

The land is situated in an affluent area where house prices in the area are 24% above the county average, 77% above the regional average and **103% above the national average**.

These premium house prices reflect the desirability of the area as a place to live and own property – including land.

PLANNING

The land is designated as green belt. Any development would be subject to the appropriate planning permission.
